4. Look at the following sentences. (Mira las siguientes oraciones).

- It's got wings
- It' got **a** tail
- It's got feathers
- It's got **a** beak

"It's got" en español significa "tiene" para los animales. Por ejemplo, "tiene alas", sería "It's got wings".

Remember "a" means "un/una" in Spanish. We need to write it before words such as "tail" or "beak". Recuerda que "a" significa "un/una" en español. Necesitamos escribirla delante de palabras como "cola" o "pico".
